

Lumiquin®

Brightening & Plumping Treatment for Younger-Looking Hands

Take time off your hands with this rejuvenating nighttime formula packed with powerful anti-aging ingredients and antioxidants.

- Brightens skin and minimizes the appearance of imperfections
- Enhances skin's moisture level so hands look smoother
- Helps plump & volumize thinning skin to reduce appearance of veins
- Supports skin's natural barrier against environmental stressors

BRIGHTENS

Pure form of Licorice Root Extract, and Diacetyl Boldine, derived from the Chilean Boldo Tree, brighten skin & reduce age spots.

THD Ascorbate (the most bio-available form of Vitamin C), brightens & provides antioxidant benefits.

PLUMPS

Multiple purified plant compounds (Anemarrhena Asphodeloides Root Extract and Commiphora Mukul Resin Extract) volumize & plump skin.

THD Ascorbate (Vitamin C) and a peptide combination (Palmitoyl Oligopeptide & Palmitoyl Tetrapeptide 7) stimulate collagen synthesis to thicken & firm the skin.

MOISTURIZES

Formulated with five naturally derived moisturizers: Sunflower Seed Oil, Mango Seed Butter, Hyaluronic Acid, Shea Butter and Biosaccharide Gum-1.

PROTECTS

Contains Myrothamnus Flabellifolia Extract: Minimizes stress-related signs of skin aging.

How to Use

Lumiquin® is a hand treatment designed to be used **once daily at night**. To be effective, this product needs to be on the skin for several hours without hand washing. You can continue to use a regular hand cream during the day. Cleanse hands. Apply one pearl-sized drop onto the back of each hand before bedtime. **For best results, apply sunscreen to hands during the day.**
