

Antirougeurs Anti-Redness Dermo-Cleansing Fluid

Gentle soothing formula reduces heat and comforts skin while cleansing.

INDICATED FOR PATIENTS WITH:

- ✓ Intermittent redness (Flushes)
- ✓ Persistent redness (Rosacea)
- ✓ Dilated or Enlarged blood vessels
- ✓ Bumps and/or pimples
- ✓ Burning, stinging, flushing skin

Formulated just for sensitive and redness-prone skin; gently cleanses and removes impurities while soothing and calming the skin. Key ingredients work synergistically to provide comfort while improving overall skin and vein health.

FEATURES AND BENEFITS:

- Calming and soothing texture prevents skin tightness and irritation.
- **Ruscus Extract** improves cutaneous microcirculation.
- **Dextran Sulfate** provides decongesting properties and minimizes the appearance of swelling.
- **Hesperidin Methyl Chalcone** protects and strengthens the vascular walls.
- Rich in **Avène Thermal Spring Water** to soothe, soften, and calm the skin.

Directions for use: Apply with a cotton pad or with fingertips in a gentle circular motion. Gently tissue off. Finish the cleansing process with a mist of Avène Thermal Spring Water. Pat dry. (AM/PM)
