- **Moisturizes** and **conditions** skin with naturally derived **Squalane**

## What type of Vitamin C is used in this product?

Vitamin C Lotion 15% & 30% contain THD Ascorbate, an extremely stable and effective form of Vitamin C. This advanced Vitamin C technology originates from Japan.

## I have sensitive skin. Can I use these products?

Yes! Vitamin C Lotion 15% contains THD Ascorbate, an extremely stable form of Vitamin C that is tolerated by all skin types. The product is time-released for maximum efficacy with minimal irritation.

## Can I use Vitamin C Lotion 15% or 30% as my moisturizer?

Yes. Vitamin C Lotion is oil-free and lightweight, but also contains sufficient hydrating ingredients.

### How to Use

Apply to clean skin. Dispense one to two pumps into palm of hand and apply evenly onto clean face. Allow lotion to absorb before applying moisturizer. Use once daily in the morning.

Follow with Broad-Spectrum SPF or Intellishade® (Original or Matte).
